

Christmas Tree Collection 2025

The Public Works Department will be collecting and recycling Christmas trees commencing the first week of January through the second week of February. Trees will be collected Monday through Wednesday, except in the occurrence of any weather events or emergencies which require Public Works attention. Please place trees curbside **with all lights, ornaments and bags removed.**

Curbside collections will be made on your **FIRST** regularly scheduled garbage collection day of each week.

- If your garbage is collected on Mondays and Thursdays, Monday will be your Christmas tree collection day, beginning January 6, 2025, and terminating with a final collection date of February 10, 2025.
- If your garbage is collected on Tuesdays and Fridays, Tuesday will be your Christmas tree collection day, beginning January 7, 2025, and terminating with a final collection date of February 11, 2025.
- If your garbage is collected on Wednesdays and Saturdays, Wednesday will be your Christmas tree collection day, beginning January 8, 2025, and terminating with a final collection date of February 12, 2025.

Thank you for your cooperation.
