

Firearms Fees

All fees for firearms are established by New Jersey state statute.

Current fees are as follows:

- \$50 – Firearms Identification Card (2C:58-3)
- \$25 – Permit to Purchase Handgun (per firearm) (2C:58-3)
- \$150 – Concealed Carry Permit (2C:58-4)

Fees are collected at the conclusion of the application process. The department will notify the applicant by phone to arrange payment. There is no need to contact the department regarding payment before an application is complete.

The borough will accept payment in the form of cash, money order, or check. Checks can be made out to the “Borough of Glen Ridge.” Credit cards or other forms on on-line payment are not accepted at this time.
